

# MEADS Offers Special Course

## Pursue Peace on Earth

In addition to regularly scheduled courses, Ministerial Education and Discipleship Studies (MEADS) is sponsoring a special mission-focused course in February. The Pursue Peace on Earth course is an excellent opportunity to go deeper into this mission initiative. The hope of Zion will become reality when we live Christ's peace and generously share his peace with others. This course is not part of the MEADS 12-course certificate program; however, you can earn Temple School credit.

## Joyful Noise Workshops

Do you:

- sing in your congregation?
- care about the church's songs?
- play an instrument (including clapping your hands—that's percussion!)?

Then come sing and play!

This all-day Saturday **free** event will begin at 8:30 a.m. and conclude with an informal community sing-a-long at 7:30 p.m. Lunch and snacks will be provided. On Sunday morning, come worship at Community of Christ Stone Church at 10:30 a.m. A lunch following the service will be provided for \$8.00. Plan lodging and transportation on your own.
