Among the Top 10 Events of 2011 Was President Veazey Trying Out the Waterslide!

The waterslide needs a name. Watch for details on the upcoming naming contest.

January Work Party Makes Major Strides Toward Achieving Development Goals

A total of 27 volunteers attended the January work party and enjoyed excellent meals, fine accommodations and tremendous weather!

The Extreme Kitchen Remodel is well underway with the delivery of replacement appliances, dishwasher and stainless steel tables. Work on the new pantry was started with the opening of a new doorway and installation of insulation and plywood. In the Dining Hall, the old paneling and drinking fountain were removed and the face of the serving line counter and most of the west wall was covered with corrugated steel.

On the Women's side of the Main Bathroom, unnecessary blocks in the shower area, sinks, toilets and surrounding tile were removed, the interior walls were framed and partition hardware and new window were installed. On the Men's side, the shower ceramic tile was nearly completed.

Other projects included completion of the Cabin 13 ceiling, installation of a rock base on Cabin 19 and 3/4 of Cabin 22, computer and internet upgrade, winterization of some buildings and much more. Thanks to all for their hard work. Mike Thrutchley reporting.
